

QSI INTERNATIONAL SCHOOL OF BENIN

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

QSI International School of Benin (QBNN) is an independent, coeducational day school, which opened in August of 2012. It offers high quality education in the English language from preschool through grade 12. QSI International School of Benin is a member of Quality Schools International, a non-profit educational organization with 35 schools in 29 countries. Read more on the [Overseas Schools Fact Sheet](#).

MISSION & VISION

With students from over 18 different nationalities, the *Preschool through Secondary School* programs at QSI International School of Benin focus on the development of 21st Century Learning skills such as critical thinking and problem solving; leadership and collaboration; cultural awareness and digital literacy.
