

INTERNATIONAL SCHOOL OF PHNOM PENH

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

The International School of Phnom Penh (ISPP) is a private, nonprofit, English-language, coeducational day school that was founded in 1989 and offers an educational program from preschool (three-year-old) through grade 12. The school year consists of two semesters, each with two terms, extending from early August to mid-December and from early January to mid-June. Read more on the [Overseas Schools Fact Sheet](#).

MISSION & VISION

ISPP empowers students, in a caring, inclusive international environment, to achieve their potential by pursuing personal and academic excellence, and to grow as responsible global citizens who celebrate diversity. Learning together, growing together, each making a difference.

ADMISSIONS

The school's admission criteria and procedures can be found at www.ispp.edu.kh/join-ispp.
