

QSI INTERNATIONAL SCHOOL OF DUSHANBE (QSID)

ASSISTED SCHOOL SPECIAL NEEDS PROFILE

School situations can change quickly, particularly as schools face cutbacks to learning support programs due to the pandemic, current unrest, and economic uncertainty. For the most current information, work with the REO and school. Information in this document was collected by the Department of State's Office of Overseas Schools directly from the school in late 2020. If a field is not specified, please reach out to the REO listed below for more information.

The [QSI International School of Dushanbe](#) (QSID) is an independent, coeducational day school, which offers a fully accredited English language educational program from preschool through grade 12. The school is accredited through the Middle States Association. Grades 11-12 receive a combination of on-campus instruction and online courses supervised onsite. This year the school has students from 25 nationalities. The school was founded in 2004. Read more on the [Overseas Schools Fact Sheet](#).

MISSION & VISION

"With students from over 23 different nationalities, the Preschool through Secondary School programs at QSI International School of Dushanbe focus on the development of 21st Century Learning skills such as critical thinking and problem solving; leadership and collaboration; cultural awareness and digital literacy."
